

Cosmopolitan Cocktail Recipe

Ingredients:

- 35ml Vodka
- 1/4 Lime
- 30ml Cranberry Juice
- 15ml Triple Sec

Garnish with:

- Piece of orange peel

Build Type:

Shake & Strain

Mix Method:

Step 1: Start by using a Mexican elbow and squeeze a quarter of lime into a boston tin.

Step 2: Then add 35ml of vodka and 15ml of triple sec. Then to lengthen the cocktail, add 30ml of cranberry juice. Once all of these ingredients are in the tin, fill with cubed ice and apply the other tin, at an angle with downward pressure. Shake the cocktail until, condensation forms on the outside of the tins. Tap the side of the tins to release the seal.

Step 3: Then get your hawthorn strainer and strain the cocktail into a martini glass. Grab a lighter and pinch the skin of the orange peel towards each other, and then quickly snap over a lit lighter to produce a small flame over your cocktail.
