|  35ml Vanilla         |  15ml Passoa               |  1/2 Passionfruit |

## Garnish with:

-  Prosecco
-  1/2 Passionfruit

## Build Type:

Shake & Strain

## Mix Method:

**Step 1:** Shake & Strain: Squeeze half of a lemon through your Mexican elbow and balance the cocktail out by adding 18.5ml of passionfruit syrup. Grab 35ml of vanilla vodka and 15ml of passoa and add that to your cocktail.

**Step 2:** Following this, add the contents of half a passionfruit before lengthening the cocktail with 50ml of pineapple juice. Once all the ingredients are in the tin, fill with cubed ice, push and twist the other tin over at an angle. Shake the cocktail until condensation forms on the outside of the tins.

**Step 3:** Then proceed to tapping the side of the tin to release it. Use the hawthorn strainer to strain the cocktail into your martini glass, leaving the ice in the tin, garnish with a half passion fruit and a shot of prosecco.
